

Did You Know?

It is estimated that 1 in 110 children in the United States have an Autism Spectrum Disorder.

About 40% of children with an Autism Spectrum Disorder do not talk at all.

Autism Spectrum Disorders are reported to occur in all racial, ethnic, and socioeconomic groups.

**information obtained from the Center of Disease Control. <http://www.cdc.gov/ncbddd/autism/data.html>*

Get the Facts.

Join the Exceptional Family Member Program for an informative Autism Training Series.

This FREE series is open to all service members and their families.
