Subj: 5-Some Play on Weekends

In an effort to enhance the pace of play conditions during our busiest days and to enhance our customers' overall golf experience, **5-somes will no longer be allowed on Saturdays, Sundays, and holidays effective Saturday, October 29, 2011.**

Pace of play on weekends has been a concern for many, and this is one of the steps we at the golf facility are taking to improve these conditions.

Should anyone have any questions that require further explanation, please direct them to the Pro Shop at 858-577-4155.

Thank you,
