WHAT COULD YOU CREATE?

GO TO BATTLEOFTHEBUILDS.COM

The **Scion Battle of the Builds** is a military design challenge where teams compete to have Scion fund the construction of their ideal xB. If you think you have the chops to build something special...

- 1 Put together a team of at least 5 comrades with the same incredible vision
- 2 Go to www.battleofthebuilds.com for program details
- 3 Upload a basic sketch of the car you would like to build (no fancy design tools needed) and some basic info about your team, your auto hobby/skills center and the car

You have until June 11, 2010 to get us your proposals. Semi-Finalist proposals will then be displayed on www.battleofthebuilds.com for your friends, family, and the world to vote on.

Three Finalists will receive a Scion xB and \$15K to make their vision a reality. One ultimate winning team will be flown to Las Vegas to show off their Scion xB at the 2010 Specialty Equipment Manufacturers Association Show. All three Finalists receive healthy cash prizes for the team and their base Auto Hobby/Skills Center.
