Mini Castle
10'x10' \$45/day, \$75/weekend

Important Inflatable Notes

Jumpers will be available for pick up/return M-F 0745-1530 and Saturday from 9AM-12PM

For Weekend Rentals, Jumpers must be paid for by 5PM on Friday for a Saturday pickup.

Jumpers rented on a first come, first served basis. They are paid for at the Outdoor Adventure Center next to the Auto Skills Center. However, due to space limitations, jumpers are stored, picked up and returned to the Vehicle Storage Office Bldg 19547, outside of the East Gate on Miramar Way.

Loading, Transporting and Unloading: Jumpers are very heavy! The units we offer weigh between 150 and 400 lbs. Please remember that it is the patrons' responsibility to LOAD and UNLOAD the jumpers. An open bed pickup truck and a minimum of 2 people capable of lifting 150 lbs EACH, are required for pickup AND return of the jumpers.

Cleaning: Frequently, other customers that have reserved a jumper for their special event are picking up the same unit that you are returning. Please return it in the condition that you would like to receive it in.

The Use of Silly String is Strictly Prohibited: Silly string cannot be used in, on, or around the jumper because it chemically bonds (like glue) to any vinyl surface. The jumpers are made of vinyl. Silly string removal could cost you hundreds of dollars.

Pickup/Return Times: Rentals are based on a 24 hour period. If rented during the week they are due back the next day at the same time they are picked up. If rented on the weekend, they can be picked up Saturday between 9AM and 12PM, they are due back the following Monday, the same time they were picked up on Saturday.

Deposits: A deposit in the amount of the rental rate will be taken at the time of rental. It will be returned no later than three days after the jumper is returned. This gives our staff time to inspect the unit before it is rented to the next patron.

A \$50.00 cleaning fee will be deducted from your deposit if the Jumper is not returned in clean, ready to use condition. Fees for damaged jumpers will be assessed on a case by case basis.

Your understanding and compliance with these matters are greatly appreciated.

Thank you!
