

YOUNG AUDIENCES

Come join us at the legendary Bob Hope Theater as we present, "Around the World in 90 Minutes."

This performance will take audiences "around the world" through music, dance and theater. Featured performers include mime and theater artist Jerry Hager, dance ensemble Mojalet Dance Collective, jazz ensemble The Rob Thorsen Jazz Quartet and bluegrass trio, Grassology.

Join us for an **EXOTIC** journey around the world through the arts -- presenting colorful costumes, traditional rhythms and fabulous performances for the entire family. Come on out to the Cultural Cantina Young Audiences Event at the Miramar Bob Hope Theater! We will have light concession style refreshments available for the first 500 Lincoln Military Housing residents to RSVP on the website.
